TERMS AND CONDITIONS

ELIGIBILITY

- Any Customer of the City of Colton Electric Utilities with General Services Account G-1 or G-2 that installs approved Title 24 lighting measures in accordance with the Rules and Requirements of the Commercial Lighting Rebate Program
- Pre and Post installation inspection are required for **ALL** rebates.
- I understand that a rebate will not be paid if I refuse the request for verification.
- Rebates are on a first come first serve basis, the program will end when all approved funding has been spent.

APPROVED LIGHTING MEASURES

- **LEDs:** Conversion of standard or energy saver T-12 fluorescent lamps to LED-lighting (UL or DLC certified). Fluorescent lamp change must be accompanied with ballast change to **electronic ballasts**.
- **OPTICAL REFLECTOR:** Installation of a fixture or reflectors that result in a permanent de-lamping of existing fluorescent lamps.
- **ELECTRONIC BALLASTS:** Conversion of magnetic ballasts to high efficiency electronic ballasts.
- **OTHER MEASURES:** Where the customer is required to make a financial investment, which results in a permanent reduction in kilowatt demand of existing lighting.

APPLICATION

- Copies of proof of purchase showing products were paid in full and any additional supporting documentation must be sent to Colton Electric Utility postmarked no later than four months from when the work was completed.
- I am responsible for filling out the application completely, truthfully and accurately.
- I understand that Colton Electric Utility is not responsible for items lost or destroyed in the mail/transit.

TIME SCHEDULE

- Please give The City of Colton Electric Utilities Department adequate time to review and approve your application prior to starting your project. The approval process may take up to two weeks.
- Work should be completed within six (6) months of application approval.

PAYMENT

- **The rebate is not to exceed 50% of the total materials and equipment costs, not to exceed \$50,000.**
- Payment of the rebate is conditional that all correct supporting documentation be submitted with application.
- Colton Electric Utility will mail rebate checks greater than \$500 for qualifying items within six weeks of receiving a completed application. For rebates less than \$500, a credit will be placed on the customers utility account within 2-3 billing cycles.
- All Rebates will be issued to the Colton Electric Utility customer unless a letter of authorization is provided to the third party.
