DEMO LITIONS

To obtain a demolition permit, the following process is required:

1. Provide the City two (2) copies of the site plan (plot plan) showing the location and general overall dimensions of the buildings or structures to be demolished.

2. The owner or demolition contractor must complete the "Asbestos Declaration Form" (attached) after a complete asbestos survey has been performed by a qualified consultant or testing laboratory. The owner or demolition contractor is required to send a copy of the "Notification of Demolition or Asbestos Removal Form" to the South Coast Air Quality Management District as required by Assembly Bill 2791 and Health and Safety Code Section 1987.5. Please provide a copy to the Building & Safety Division at the time of permit issuance.

3. The cost for a demolition permit is $330.57.

4. If the building or structure is listed on the City's Significant Historical Site List, then you must apply for a Certificate of Appropriateness to be reviewed and approved by the Historical Preservation Commission. Please contact the Planning Department at (909) 370-5079 for an application, filing instructions, and fees.

5. A contractor must possess a current Contractor's License, City Business License, and must comply with the Worker's Compensation Insurance laws.

6. The demolition must include the complete removal of all structures, foundations, slabs, private disposal systems, and any associated debris from the site. Once the permit is issued, call for an inspection. Show the locations of the septic systems and utility capping to the inspector before covering them up.

7. Call Dig Alert at 1-800-227-2600 (free service) before starting.

Should you need additional information, please contact the Building & Safety Division at (909) 370-5079.

COMPLIANCE ADVISORY
FOR ASBESTOS CONTRACTORS

Starting November 1, 2016, all Rule 1403 Asbestos Removal and Demolition Notifications must be submitted to SCAQMD through a new web-based online application.

The South Coast Air Quality Management District (SCAQMD) has established new procedures for the submittal of Rule 1403 Asbestos Removal and Demolition Notifications and related payments.

On and after November 1, 2016, asbestos contractors will be required to submit all Rule 1403 Asbestos Removal and Demolition Notifications and fee payments (via E-Check or accepted credit or debit card) to SCAQMD online ONLY; no applications submitted to SCAQMD via fax or email will be accepted after October 31, 2016.

Prior to submitting online Rule 1403 Notifications to SCAQMD, asbestos contractors must first complete an online registration process. To comply with EPA's Cross-Media Electronic Reporting Rule (CROMERR) standards, the identity of the person registering must be confirmed and his/her signature on the registration packet witnessed and stamped by a Notary Public. The asbestos contractor is responsible for payment of any service fee charged for notarization of documents.

To facilitate the registration process, however, SCAQMD is providing no-cost registration assistance at SCAQMD headquarters, 21865 Copley Drive, Diamond Bar 91765 as follows:

- Friday, September 30th, 2016, from 9 AM to 11:30 AM
- Saturday, October 1st, 2016, from 9 AM to 11:30 AM
- Tuesday, October 4th, 2016, from 1:30 PM to 4 PM
- Wednesday, October 5th, 2016, from 9 AM to 11:30 AM
- Friday, October 7th, 2016, from 9 AM to 11:30 AM
- Saturday, October 8th, 2016, from 9 AM to 11:30 AM
- See the SCAQMD website for more dates at http://www.aqmd.gov/home/regulations/compliance/asbestos-demolition-removal/r1403-web-app

Those who wish to participate must print and bring completed registration documents to the session of their choice. Following an introduction to the use of the online application submittal system, Notary Public services will be available at no cost to notarize registration documents for submittal to SCAQMD. Please contact Sharon Fujimoto at sfujimoto@aqmd.gov to sign up for a session.

Directions for completing the online registration process are shown on the next page.
If you have questions regarding online registration or submittal of R1403 Notifications, please contact Christopher Ravenstein, Staff Specialist, Toxics & Waste Management, SCAQMD, at cravenstein1@aqmd.gov.

City of Colton
Construction & Demolition (C & D)
Diversion Program
Development Services Department

In accordance with the City of Colton Municipal Code Section 15.04.030, all contractors or builders removing debris, rubbish and trash from construction sites, are subject to the following:

Program Guidelines

► New single family residential development (single & tract), Multifamily residential, commercial, Industrial and demolition projects are required to participate in the C & D program.

► Prior to, and as a condition of the issuance of any building construction or demolition permit, the permittee shall submit a Waste Diversion Plan. A Waste Diversion Plan application is supplied by the Building and Safety Division at the time of plan review submittal or when a demolition permit is requested. (See pages 2-4).

► The City of Colton Municipal Code mandates that the permittee uses CR&R franchised haulers in the construction/demolition phase of the project. No outside companies may be used.

► The Waste Diversion Plan, will be made part of the set of construction plans for reference by the City of Colton personnel.

► Waste Diversion Report (pages 3 & 4) is to be completed by the waste hauler. Once the project has ended, the completed report must be given to the Building Inspector, or returned to the Building and Safety Division via, e-mail or mail prior to requesting the final sign-off for occupancy.

For more information regarding this program, please contact Jessica Sutorus, Environmental Conservation Specialist at 909-370-5561.
