It is requested that the above named project be granted an exception from the requirements of the State of California Title 24 accessibility, as specifically noted below and is not an exemption from compliance with the American With Disabilities Act Guidelines/Requirements.

A. Section 11B-202.4 General Exception. Applicable to existing buildings where the construction cost at this tenant space over the last 3 years does not exceed the valuation threshold amount. The specific accessibility feature that creates a hardship may be exempted but not all the accessibility features. The area of alteration itself may not be exempted. Refer to [http://www.dgs.ca.gov/dsa/Programs/progAccess/threshold.aspx](http://www.dgs.ca.gov/dsa/Programs/progAccess/threshold.aspx) for current threshold amount.
