Instructions for participating in the meeting and additional information regarding the Housing Element update may be viewed at:

<https://www.ci.colton.ca.us/992/Housing-Element-Update>

The Housing Element is a component of the City's General Plan and includes analysis of the community's housing needs, opportunities and constraints, as well as policies and programs to facilitate the construction, rehabilitation, and preservation of housing for all economic segments of the community. The City is required by State law to prepare an updated Housing Element for the 2021-2029 planning period.

It is anticipated that the Housing Element update will also include proposed amendments to the City's General Plan and Zoning Code that are required by State law to provide additional capacity for housing development pursuant to the Regional Housing Needs Assessment (RHNA).

All interested persons are invited to participate in the meeting and submit oral or written comments. Written comments should be submitted via email prior to the meeting to Mario Suarez, Planning Manager at: msuarez@coltonca.gov
